

Come and join us! Using warm-ups, folksongs, rounds and tongue twisters, we will look at posture, breathing, diction and dynamics. Prepare your voice for longevity and improve your vocal health. Strengthen your vocal technique practices and stamina. This afternoon choral workshop is suitable for singers of all ages and abilities.

Susan has taught singing and vocal technique for 35 years, encompassing many genres of music. A professional Mezzo-Soprano and Musical Director of 3 choirs, Susan brings her enthusiasm, expertise and love of ensemble singing and choral music to this workshop.
